UNIVERSITY OF MUMBAI
FORT, MUMBAI - 400 032.

Reaccredited by NAAC with 'A' GRADE

"University With Potential For Excellence"

BCUD/ICD/2014-15/178
13th November, 2014.

Dear Sir/Madam,

The University of Mumbai with the auspices of Indian Science Congress Association, a professional body under Department of Science and Technology, Govt. of India, is hosting 102nd Session of Indian Science Congress from 3 – 7 January, 2015 at the University of Mumbai Vidyanagari Campus, Santacruz (East). This is a mega event which is meant to be a path blazer for our future generation. The theme has been selected as 'Science and Technology for Human Development.' This is in pursuance of the policy of Government of India unveiled by the Hon'ble Prime Minister. About 12,000 delegates including VIP's, Noble Laureates will be attending this mega event.

Since it is proud and prestigious moment for the Universities in Maharashtra and the opportunity to the faculty members and research scholars for networking with the Nobel Laureates and Scientists, I request you to expedite the participation of faculty members and research scholars in the 102nd Indian Science Congress 2015. Since the last date for registration is 15th November, 2014 and thereafter, with the late fees, kindly expedite the registration of the faculty members and research scholars of your college. For detail information visit the Website : www.isc102.in

Thanking you,

Yours Sincerely,

(Dr. Rajpal S. Hande)
Local Secretary
102nd Indian Science Congress

To,
The Principal of affiliated colleges/Directors of recognized institutes
