To  
The Director

11th December, 2013

**Subject:** Invitation to IIT Hyderabad's ELAN 2014, the Inter-College Techno-Cultural Festival

Respected Sir/Madam,

Indian Institute of Technology Hyderabad (IIT-Hyderabad) is immensely delighted to host its Inter-College Technical-cum-Cultural festival, 'ELAN' from 31<sup>st</sup> January to 2<sup>nd</sup> February, 2014. We would like to cordially invite you and the students of your prestigious institute to be a part of this 3-day extravaganza and its impressive itinerary of informative and fun-filled events.

The festival, with its very distinctive and stylish elegance is undoubtedly the number one fest in Hyderabad city. With a plethora of exciting events lined up in domains like Techy, Culti, Litr, Infi, EML and Workshops, Elan has something for everybody. We have invited Mr Richard Stallman (American software freedom activist & founder of GNU Project), Mrs. Preeti Shenoy (Bestselling Author), Miss. Srishti Rana (Miss Asia Pacific 2013), to give motivational talk and be part of festival. As a part of our Big Nites, we are inviting a Rock Band from Sweden to perform at our festival.

As a run-up to ELAN 2014, a two-day weekend workshop on "Robo-Haptics" is being conducted at IIT-Hyderabad from 4<sup>th</sup> January to 5<sup>th</sup> January, 2014. This is a fantastic opportunity for all the college students to learn making and operating a Robotic Arm and also get an authorized certificate from ARK Technologies Pvt. Ltd and ELAN, IIT Hyderabad.

Please find enclosed the posters for the festival. It would be a pleasure if you publicise this event in your esteemed institute and encourage the students to attend the same and take part in various competitions.

Looking forward to seeing you in ELAN, IIT Hyderabad.

Thanking you,  
Yours sincerely,

Mayank Rathi
