**Advertisement for the post of a Junior Research Fellow at the  
Department of Biophysics, University of Mumbai**

Department of Biophysics is inviting applications from highly motivated, enthusiastic individuals for one Junior Research Fellow under research project entitled “**Development of microcontroller based biomedical device**”

**Duration of the project:** 03 years

**Essential qualifications:**

- Post graduate in M.Sc. with specialization in Electronics
- UGC- CSIR NET or any other agency that provide research fellowship.

**Desirable qualifications:** Hands on experience in Microcontroller/ VLSI based project

Appointments will be temporary for a period of two years and extended for one year. This is a temporary position co-terminating with project, also in case of unsatisfactory performance; appointment can be terminated at any time. Candidate can be registered for Ph D degree in (Biophysics) subject to fulfil the eligibility condition.

Eligible Candidates may apply with complete bio-data (along with testimonials if any) and supporting documents for the said post to the Principal Investigator, Dr. P.M. Dongre, Prof & Head. Department of Biophysics, University of Mumbai, Vidyanagari, Santacruz(E), Kalina, Mumbai – 400 098.

The last date of submission of completely filled application form along with bio-data is 30 days from date of advertisement. Submission of ink-singed hard copy of completely filled application form is mandatory and late applications will not be accepted. In addition to the submission of application form, an additional copy of the application may also be sent by email to : [drpmdongre@yahoo.co.in](mailto:drpmdongre@yahoo.co.in)

The date for the interviews to be held for the selection of the said post would be communicated to the shortlisted candidates only. The short listing will be done based on the candidates experience and scope of our project. The candidate has to join immediately after his/her selection for the said post.

The candidates will have to bear their own TA/DA expenditure. No. T.A. / D.A. will be paid to the candidate for appearing for the interview. The candidates should make their own arrangements for travel and boarding.

Dr. P.M. Dongre  
Principal Investigator  
Department of Biophysics
