### INVITATION OF APPLICATIONS FOR 02 POSITIONS OF POST DOCTORAL FELLOWS AT THE UNIVERSITY DEPT. OF LIFE SCIENCES

**About the fellowship:** The Department Of Life Sciences, University of Mumbai has initiated and introduced Post Doctoral Scheme to meritorious candidates.

**Eligibility:** The applicants should hold a Ph.D. degree in Life Science and should have a good academic record. Those who have already submitted their Ph.D. thesis in Life Sciences are also eligible to apply. The applicants should preferably be below the age of 30 years.

**Nature of work:** The Post Doctoral Fellow will have to work under the guidance of Professor in Department of Life Sciences. The research facilities available in the Department of Life Sciences will be made available to the postdoctoral fellow. The fellow will have to do full-time research during his/her tenure of the fellowship. The post doctoral fellow will be required to submit a progress report of the research done along with the published papers in peer-reviewed journals every year for the evaluation of performance.

**Period of fellowship:** The fellowship will be awarded for a period of 2 years. The post doctoral fellow will get a monthly fellowship of Rs.21,000/- (fixed) per month. Initially, the fellowship will be given for a period of one year and is extendable for another year based on the performance of the post doctoral fellow.

**Number of fellowship:** 2 fellowships will be awarded after every two years.

**Faculty:** the faculty working in Department of Life Sciences having five years of experience as Professor in the Department.

**Application format:** The eligible candidates are advised to apply on a plain sheet of paper with a research proposal (theme) of approx. 1000 words along with detailed curriculum vitae, list of publications, copies of certificates and one page synopsis about Ph.D. work done. The applications should be addressed to The Head, Department of Life Sciences, University of Mumbai.

**Mode of Selection:** the constituted committee will scrutinize the research proposals; and the candidates will be interviewed. The selection of the candidate will be based on the merit of the research proposal, performance in the interview and published papers in peer-reviewed journals.

**Award of certificate:** after the successful completion of research project with published papers in peer-reviewed journals in support of their work, the candidates will be awarded a 'Post Doctoral' Certificate by the University of Mumbai.
