Item No. 4.11

Collective Display of Research Papers from Faculty/Students/Staff of affiliated colleges of University of Mumbai

As per the current status 740 colleges are affiliated to University of Mumbai and many of them are research center for various subjects in science. These centers publish the research papers & take credits for NAAC, ISO, API or for other accreditation process.

These research papers though are published under the auspices of University of Mumbai, no credit comes to University due to which the University is looking its ranking.

It has been resolved that University of Mumbai should collect these research papers and keep collectively on the website of University of Mumbai.
