

AC 6-6-12

Resolution

4.129

It was **resolved** that the recommendation made by the Faculty of Science at its meeting held on 23rd April, 2012 **be accepted**, and that in accordance therewith, the PET examination can be conducted by research centers.

Further it was resolved that students should not be made to appear for entrance exams conducted by all / many research centers. Hence the Board of Studies of respective subject should decide the date of PET of particular subject, common for all centers. PET examination should be conducted twice a year in February and October. All the rules framed by University from time to time should be followed by research centers for the admissions.
