No.Exam./COE/ 27 of 2011

CIRCULAR:

Greetings for New Year 2011!

The University Administrative Authorities has appreciated the response given by the Principals of affiliated colleges in Arts, Science and Commerce by deputing their administrative staff for the workshops organised by the University at various cluster centres for the purpose of providing the training to upload the data on MKCL portal.

The Principals of affiliated colleges in Arts, Science and Commerce are aware that the University has decided already to download the Examinations forms for the T.Y. B. A, T. Y. B. Com & T. Y. B. Sc. Examinations to be held in First Half 2011 from the MKCL Digital University Portal. The training for the same has been already given to the administrative staff of their colleges through the abovementioned workshops and some of the colleges have already been started for uploading the student's data on the MKCL server as per the guidelines given. However, there are many colleges those who have not responded to the same till date.

They are therefore informed that the required information as per the guidelines provided in the workshops are required to be uploaded on the MKCL server through their login and the optional subjects of T.Y. of their students at an earliest so as to enable the Examinations Section to download the correct examinations form of the First Half 2011 from the MKCL server and issue the hall ticket well in advance after processing the data.

They are therefore, requested to instruct their non teaching staff related to admission and Examination work (those who have attended the workshop) for uploading the students information on the MKCL server of the batch which was admitted in the academic year 2008-09 on or before 29th January, 2011 as instructed in the workshop.

They are further requested to access their office E-mail ID and the E-mail ID provided to the University for the use of E-Governance on which the Circulars and any other documents related to Examinations Sections will be sent. The Examinations Section will provide the faculty wise E-mail ID in due course of time to streamline the E-Governance in the Examination Section of University.
