Memorandum of Understanding of cooperation
between
University of Mumbai, its Affiliated Colleges/Institutes
And
Tianjin Normal University

In order to strengthen academic exchanges and develop cooperative relationship between our institutions, University of Mumbai, its affiliated colleges/institutions and Tianjin normal University (hereinafter the "parties") hereby enter into this Memorandum of Understanding (hereinafter the "MoU") to foster international cooperation :

Article 1: The parties will establish academic exchanges and cooperative relationship during a period of five years beginning on the day on which the responsible administrative officers of both institutions have signed this MoU. Among the kinds of cooperation identified as mutually beneficial are exchanges of teachers and student's collaboration in research and publication, and the exchange of information regarding programmes of study, conferences, and other professional activities. Within the framework of this MoU, the institutions will encourage the following activities:

- A. Exchange of materials in education and research, publications and academic information;
- B. Exchange of faculty members and research scholars in approved programmes;
- C. Exchange of students in comparable or similar degree programmes;
- D. Joint research activities and meetings for education and research which are agreeable to parties following standard protocols;
- E. Collaboration in any other way that is considered mutually beneficial.

These exchanges are established in order to to extend the participant's theoretical knowledge and practical experience and also to increase their respect for the language, culture and professional environment of the host country. Before these activities can be implemented, parties shall discuss the issues involved to the satisfaction of each party and enter into specific activity agreement based on the forms of implementation mutually agreed upon.

Article 2: Each institution will designate an office and liaison for this general MoU. For Tianjin Normal University, this office will be the office of international programmes with the liaison person being the Director, office of international programmes.

Article 3: This MoU will be effective for five years upon approval by the parties and will be automatically extended by five years unless terminated by one party not less than six months before the date of expiry. Any amendment of this MoU shall be effected upon mutual consent of parties.

Article 4: This MoU is validated by the responsible administrative officers of University of Mumbai, its affiliated colleges/institutes and of Tianjin Normal University, who have signed below.
