Sub: - Khorana Program Technology Transfer Course

4th April 2012

The Department of Biotechnology (DBT), Government of India, University of Wisconsin-Madison (UW) and the Indo-US Science and Technology Forum (IUSSTF) are partnering to support the **Technology Transfer Course** under the aegis of the prestigious **Khorana Program** named in honor of Dr. Har Gobind Khorana, who won the Nobel Prize in 1968 for his work at the interface of Chemistry and Biology while a member of the UW faculty.

The **Technology Transfer Course** is specially designed as an intensive program aimed to provide participants with significant insight into managing technology in its journey from the laboratory to the marketplace through a series of pedagogical lectures, round table discussions, case studies, and site visits.

More information about the program is available on the website www.indousstf.org

Looking forward to receiving suitable applications from your institutions by 30th April 2012.

Best regards,
