CIRCULAR:

Respected Madam/Sir,

Maharashtra is one of the most leading states in India. A rich cultural heritage, social reform movement and a fast growing economy has set the state on a fast track right from the formation of the state of Maharashtra.

With all the achievements to the credit of the state of Maharashtra many have always raised a concern over the number of successful civil servants from the state. It is essential that we should take some proactive steps towards motivating and inspiring young minds to take up civil service as a career option. Unfortunately, very few students choose this as one of the option.

Organisation like BARTI (Babasaheb Ambedkar Research and Training Institute) and UGC have come forward to financially support training of students for civil service examination.

There have been other organisations like Shiv Vidya Prabodhini also approaching the University and through University to the College to students free of cost.

I, therefore request you to kindly have atleast one seminar and one mock test for the aspirants of Civil service. A collective effort towards this endeavor is expected. Hence an annual programme dedicated towards Civil Service including combined defence services, staff selection commission be included in the calender of the career guidance and placement cell of your college is desirable.

I urge all the college to conduct programme on the above between 20th February to 20th March, 2015. I am sure that this shall certainly increase the number of UPSC aspirants in the jurisdiction of the University of Mumbai.

Thanking you.

You are requested to visit coordinate on website www.barti.in and www.ugc.ac.in email svpias@gmail.com and schedule your training.
