INTERVIEW FOR M.PHIL/PH.D. ADMISSION (2013-14)

23 AUG 2013

Hello Friends,

We are in the process of conducting Ph.D. admission interviews on 28th August 2013 in the Department of Computer Science.

This is intimation for those who wish to present themselves before the interview committee.

Only the SET/NET/PET qualified candidates or the ones those have got exemptions are to respond to this intimation on or before 24th August 2013 by sending an email to [udcs.mu@gmail.com](mailto:udcs.mu@gmail.com) (You are suppose to reply to the office and not to me by using this, my personal email id).

The candidates whose information is not reached to us before 24th August or whose information is not complete in the form given below would be treated "not interested" and their interviews will not be scheduled.

In case of query, candidates are expected to contact our office (and not me) and get clarifications on or before 24th August. Thereafter any complaint in this regard shall not be entertained.

Each candidate is expected to come prepared with an audio-visual presentation of 5 slides (6 minutes max) on his research proposal. Depending upon the circumstances, the committee may ask the candidate to explain the proposal without using the audio-visual presentation; in that case also the candidate will be given 6 minutes for the oral presentation.

The candidates should be clearly stating for which the admission is sought: Ph.D. only / M.Phil. only / M.Phil or Ph.D.

The candidates will be informed about the time of the interview by sending an email on 26th August 2013. In the absence of any such communication, the candidates are expected to inquire with the office on 27th August 2013 and get clarified the reason if any.

Thanks and all the best

  
(Dr. Ambuja R. Salgaonkar)
