**Request form for Characterization Techniques**

Applicant Name : \_\_\_\_\_  
 Type of organization Institute/University Collage Industries  
 Name of organization Department  
 Designation Faculty Member/ PhD student / M.Phil. student/ M.Sc. student / Project Fellow / Scientist / Others  
 Name of supervisor : \_\_\_\_\_

Characterization Technique Requested FESEM  XPS  TEM  XRD  Others

Total Number of Samples  Details about Samples : Thin films/Powder/Others (provide description)

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

**Payment Details**

| Technique    | Amount (Rs. per sample)  | Total Number of Samples | Amount (Rs.) |
|--------------|--------------------------|-------------------------|--------------|
| TEM          | 10000.00(for Industries) |                         |              |
|              | 3000.00(for institutes)  |                         |              |
| XPS          | 10000.00(for Industries) |                         |              |
|              | 3000.00 (for institutes) |                         |              |
| FESEM        | 3000.00(for industries)  |                         |              |
|              | 800.00(for institutes)   |                         |              |
| XRD          | 800.00(for industries)   |                         |              |
|              | 500.00(for institutes)   |                         |              |
| Others       |                          |                         |              |
| <b>Total</b> |                          |                         |              |
