M.L.MEHTA,
ADDITIONAL SECRETARY.

D.O.NO.F.1-6/89 (SCT)

Dated 30-7-1989

Dear Sir,

This is in continuation of my D.O.letter No.F.1-2/89 (SCT) dated June 19, 1989 about complete fulfilment of reservation for Scheduled Castes/Scheduled Tribes in every course and faculty/ departments of your University and affiliated colleges, I trust action is already in progress on your part to ensure that all the seats reserved for SC/ST candidates are filled only with such candidates and none of it is filled with candidates belonging to other communities.

2. There are already ample guidelines of the UGC by following which it should have been possible and it should be possible to fulfill reservation. However, to put matters on a still clearer and firmer basis, I am sending the UGC's revised guidelines for full implementation of reservation in admission, in continuation of my D.O. letter cited above. By ensuring scrupulous adherence to these revised guidelines, it will be possible to secure the above objective. You are, no doubt aware of the national movement that has been launched for fulfilment of reservations for SC/ST on the basis of Constitutional obligations. It is obviously necessary and UGC is very anxious that the University systems does join this national movement and give a lead to it. I trust that you will fully cooperate and help in bringing about complete success in this regard in respect of your University and colleges affiliated to your University right from this academic year.

With regards.

Yours sincerely,

(M.L.Mehta)

Encl : as above.

UNIVERSITY GRANTS COMMISSION'S GUIDELINES TO UNIVERSITIES'
DEEMED UNIVERSITIES, ETC. FOR FULL IMPLEMENTATION OF RESERVATION
IN ADMISSIONS FOR SCHEDULED CASTES AND SCHEDULED TRIBES STUDENTS
IN ALL COURSES AND FACULTIES/DEPARTMENTS IN ALL UNIVERSITIES AND
COLLEGES FROM ACADEMIC YEAR 1989-90 ONWARDS.

A national movement has been launched for fulfillment of reservations for Scheduled Castes and Scheduled Tribes on the basis of Constitutional obligations. It is obviously necessary for the University system to join this national movement and give lead to it. In order to fulfil this without losing a single academic year, the UGC issues the following guidelines for Universities, Deemed Universities and other institutions.

1. Different percentage of reservations have been fixed for Scheduled Castes and Scheduled Tribes in the Universities of different States in accordance with the percentage of Scheduled 'Castes' population, Scheduled Tribes's population in the total population of that state. The broad principle is that the reservation percentage for Scheduled Castes and Scheduled Tribes should not be less than their percentage. In the case of Central Universities, the percentages of reservation in admissions is 15% for Scheduled Castes and 7 1/2% for Scheduled Tribes. All reservation seats should, according to the percentages of reservation fixed, be filled in the academic year 1989-90 and every subsequent year.
2. This can be done by following the procedure explained below:-
 - (a) All Scheduled Castes and Scheduled Tribes candidates who have passed the qualifying examination for admission to a University course may be arranged in the order of merit among themselves.
 - (b) Those who have marks above the level upto which general category students are admitted, should not be counted towards reserved quota at all and should be included in the general merit list of admissions.
 - (c) Excluding those admitted on merit along with general candidates as at (b) above, other Scheduled Caste and Scheduled Tribe Candidates should be admitted in the order of merit going down the inter-se merit list upto the point necessary to secure adequate number of candidates of Scheduled Castes as well as Scheduled Tribes to fulfil the reservation percentage completely.

- (d) It is clarified that in order to fulfil reservation, there should be no hesitation to go down, if necessary to the pass percentage of the qualifying examination (e.g. Class XII, for admission to B.A./B.Sc./B.Com. pass course as well as Honours; first Degree for admission to a Second Degree or post-graduation, and so on).
- (e) Considering the ground reality that in any courses and faculties/departments, particularly the ones which are important for career advancement and social status, the number admitted are less than the reserved percentage in most Universities, and considering that the availability of Scheduled Caste and Scheduled Tribe candidates is relatively less, it is irrational to apply to them criteria like minimum eligibility marks and cut off point marks, which are much higher than the pass marks in the relevant qualifying examinations. While, these criteria may be justified in the case of general candidates because of a very large number of students available from that category, in the case of Scheduled Castes and Scheduled Tribes, these steps are at present irrelevant and the procedure at (a), (b), (c), and (d) above, is appropriate to facilitate fulfilment of reservations in all courses, faculties/departments.
- (f) The position can be reviewed in each University as and when reservation is fulfilled completely and the number of Scheduled Castes and Scheduled Tribe candidates increases so much as to warrant higher minimum eligibility and cut off points, but even then these may be lower for Scheduled Castes and Scheduled Tribes than for others.
- (3) Seats reserved for Scheduled Castes and Scheduled Tribes should be filled only with Scheduled Castes and Scheduled Tribes candidates and not with others.
- (4) It has been noticed that the representations of Scheduled Caste and Scheduled Tribes students is not evenly distributed in all courses and all faculties and the Departments. They are bunched up in less favoured courses and faculties/departments and found in relatively smaller proportion in more favoured courses and faculties/departments. In order to rectify this imbalance, the fulfilment of reservation should be completed in every course and in every faculty/department.
- (5) In rare instance in which Scheduled Caste and Scheduled Tribe students, with minimum pass marks of the qualifying examination are not available, the following steps should be taken :-
- (a) A special effort should be mounted by notifying the number of reserved seats available for Scheduled Castes

and Scheduled Tribes in newspapers at least twice. In this the concerned courses, faculties/departments should be mentioned.

- (b) It is possible that shortage may not be in both the categories but only either in Scheduled Castes or in Scheduled Tribes. In such cases, the existing guidelines of inter-transferability between the two should be followed.

- (*) (Explanation regarding the term 'inter-transferability' quoted above :-

While following the UGC guidelines in admissions, there may be possibility that some seats reserved either for SC or ST may remain unfilled. In such cases, the unfilled seats reserved for the Scheduled Caste candidates will be filled by admitting Scheduled Tribes candidates and vice versa. For example, if there are 15 seats reserved for Scheduled Castes and 8 seats for Scheduled Tribes; and out of 15 seats reserved for SC candidates, only 10 students of this category are admitted and no more SC candidates who have applied for admission, are available, the remaining unfilled 5 seats (originally reserved for SC), will be filled by admitting the Scheduled Tribe candidates and Vice-Versa.

- (c) If even after every possible sincere effort, as above there is non-availability of either Scheduled Caste or Scheduled Tribe candidates or both:-
- 1) The UGC, Special Commissioner for Scheduled Castes/ Tribes, Vice-Chancellor of the University and Ministry of Education should be informed of the non-availability of the Scheduled Caste and Scheduled Tribe students pass marks in the qualifying examination, the number of seats so filled on their account, and effort made to fill them up.
 - ii) Thereafter, subject to any advice that any of them may give, seats may be thrown open to the general candidates in the current year.
 - iii) Planning should be initiated to ensure that the shortage does not recur in future by ensuring adequate intake at the lower tier of the education level.

6. As mentioned in 2 (a) and (b) above, Scheduled Caste and Scheduled Tribes students, who have marks comparable to that of general category candidates, should be admitted as general merit candidates and should not be counted towards reservation percentage

(*) Vide UGC letter No.F.1-6/89 (SCT) dated 18-3-1992 (copy enclosed)

7. In those Universities where the procedure of central registration of Scheduled Castes and Scheduled Tribes for admission exists at the University level and thereafter they are allotted to different colleges by the University, it has been found that a number of Scheduled Caste and Scheduled Tribe students are made to go to fro which is felt as a humiliating experience, resulting in the build-up of frustration and resentment. In order to avoid this, in such Universities, the admission process should be completed at the central registration level of the University itself and students authorised to attend the classes in the courses and faculties/ departments in the colleges concerned. The University should leave no option with the colleges to decide on the admission and class attendance of Scheduled Castes and Scheduled Tribes who are centrally registered for admission by the University.

8. Some Universities have the procedure of holding entrance tests for certain courses. This has been misunderstood or misused in certain case to filter out Scheduled Caste and Scheduled Tribes students. This is inappropriate, where reserved seats have not been completely filled with Scheduled Caste and Scheduled Tribes candidates. Entrance tests, where they exist, are intended only to work out inter-se merit among the general candidates. In the case of Scheduled Caste and Scheduled Tribes candidates, admission should be made in order of merit upto the full reservation percentage, on the basis of Entrance test, subject here to the principles at 2 (a) and (b) above, that those Scheduled Caste and Scheduled Tribe students who get marks making them eligible, to be admitted with general category students should not be counted towards reserved quota. The entrance test is not a qualifying test. The qualifying examination is the examination which a candidate has passed at the lower level of the education has already qualified in a duly conducted qualifying examination. The purpose of the Entrance test is only to arrange the candidates in inter-se merit specially in the context that candidates come from different streams, often from different parts of the state or different parts of the country with different standards of evaluation.

9. As the Head of the University family, the Vice-Chancellor will have to take the full responsibility by ensuring that the reservation for Scheduled Caste and Scheduled Tribes is fulfilled according to these guidelines in all the courses and faculties/ departments of the University and colleges and other Institutions affiliated to the University and that this is done in letter and spirit without any distortion or deviation.

10. (a) For fulfilling this responsibility, the Vice-Chancellor may make any internal arrangement as he deems fit.

(b) There are already guidelines for setting up of an Advisory Committee under the Chairmanship of the Vice-Chancellor in every University to assist the matters relating to reservation as well as other educational programmes for the Scheduled Castes and Scheduled Tribes. It is noticed that this committee has not been formed in a number of Universities. In some Universities, such a committee has been formed but does not meet regularly and does not function effectively. This committees may be immediately formed wherever they do not exist and should meet at least once in a quarter and more frequently according to the need. There is need for this committee to meet after the admission process is completed, but the admission is closed to take stock of the fulfilment of the reservation in admissions and to take corrective steps in time before admission is closed. The committee should be made effective. Among the measures to make it effective is to include in it members of the teaching staff of the University belonging to the Scheduled Castes and Scheduled Tribes who have been taking interest in the educational reservation and education progress of Scheduled Castes and Scheduled Tribes and members of the teaching staff who while not belonging to SCs or STs have also been taking similar interest.

- (c) The Vice-Chancellors may similarly vest in the Principals of colleges and heads of other affiliated institutions the responsibility for fulfilling reservations in their respective colleges/institutions.
- (d) A similar committee under the chairmanship of the Principals of the college or head of the affiliated institutions also may be set up immediately.

11. Every deptt. and every affiliated college should send a report about fulfilment of reservations for Scheduled Castes and Scheduled Tribes to the Vice-Chancellors of the University within a week of the completion of the admission process but not before closing admissions so that in case any corrective steps are require for the current year, it may not be too late.

12. (a) The Vice-Chancellor of the University should send a complete and comprehensive report of admission of Scheduled Castes and Scheduled Tribes fulfilment of the reservation in all courses and faculties/departments incorporating and analysing the reports sent by the colleges to the UGC within 14 days of the completion of the admission process but not before admission is closed to facilitate timely remedial measures, if necessary, in the concerned academic year itself, with a copy to the special Commissioner for Scheduled Castes and Scheduled Tribes.

- (b) The University will scrutinise the reports of the colleges and other affiliated institutions immediately on receipt and issue correctives, if necessary, in time.
 - (c) The UGC will similarly scrutinise the reports of the Universities and issue necessary correctives, if necessary, for adoption within the academic year. The Special Commissioner's advice will also be available in terms of Constitutional safeguards.
13. The reports of the colleges and Universities, mentioned at items (11) and (12) above may be sent in the monitoring proforma enclosed in the Annexure-I & II.
14. The Universities and colleges are requested to bear in mind the need to give the maximum possible encouragement and support to girls of the Scheduled Castes and Scheduled Tribes.
15. (a) For Scheduled Castes and Scheduled Tribes, if in the opinion of the University or the student himself, there is need for remedial teaching or special coaching, the University/College should organise such courses.
- (b) There is a UGC scheme for this purpose which provides funds for honorarium, etc. which has not been availed of by most Universities and colleges. This may now be availed of fully. This should not be conducted in a casual manner but should be so conducted as to be reflected in the improvement of the performance of the SC and ST students bringing them to the general level. Competent and interested teachers should be engaged for this purpose.
- (c) Students requiring remedial teaching and special coaching should be motivated with sympathy and consideration for their feelings to join these courses.
16. The Vice-Chancellor and Principal/Head of the institution may devise and undertake any other measure required to fulfil reservation completely and bring the performance of Scheduled Caste and Scheduled Tribe students to the general level.

DATED: 16th March, 92

The Registrar,
All the Universities/Institutions
Deemed to be Universities

Sub:- UGC guidelines for admission of Scheduled Caste and Scheduled Tribe candidates in all the courses and faculties/departments in the Universities and colleges- clarification regarding inter-transferability of seats.

Sir,

I am directed to invite a reference to para (5) (b) of the UGC guidelines sent vide a.o. letter No.F.1-6/89(SCT) dated 30th July, 1989 addressed to the Vice-Chancellor by Dr.M.L.Mehta, Ex-Additional Secretary, UGC which is reproduced hereunder :-

(5) (b) "It is possible that shortage may not be in both the categories, but only either in Scheduled Castes or in Scheduled Tribes. In such cases, the existing guidelines of inter-transferability between the two should be followed."

In this connection, references have been received from certain Universities and colleges facing difficulty in application of the principle of 'inter-transferability' mentioned therein and seeking clarification in this regard. Therefore, with a view to ensure effective implementation of the UGC guidelines on admission of Scheduled Caste/Scheduled Tribe students, the term 'inter-transferability' is clarified as under:-

2

" While following the UGC guidelines on admissions, there may be possibility that some seats reserved either for SC or ST may remain unfilled. In such cases, the unfilled seats reserved for the Scheduled Caste candidates will be filled by admitting Scheduled Tribe candidates and vice-versa. For Example, if there are 15 seats reserved for Scheduled Castes and 8 seats for Scheduled Tribes; and out of 15 seats reserved for SC candidates, only 10 students of this category are admitted and no more SC candidates, who have applied for admission, are available, the remaining unfilled 5 seats (originally reserved for SC), will be filled by admitting the Scheduled Tribe candidates and vice-versa."

It is requested that the guidelines, under reference, may please be implemented in the light of clarification given herein above. Besides, the contents of this letter may also be brought to the notice of all colleges and departments/faculties of the University for their guidance.

The receipt of this letter may kindly be acknowledged.

Yours faithfully,

(I.J.Gupta)
Deputy Secretary.
