**Subject: Submission of Online Information of the Academic Year
2011.12 on AISHE portal.**

Sir,

As you are aware that the Ministry of Human Resource Development, Govt. of India collects, compiles & disseminates Statistics in respect of Higher and Technical education of the country. These statistics are widely used for planning and policy making in the Ministry as well as other users. There is a great demand of such statistics at international level and for research purposes. Ministry of Human Resource Development has launched an All India Survey on Higher Education last year to collect these statistics so as to develop a reliable and comprehensive database. As you know that this Survey envisages identifying and capturing all institutions of higher learning in the country. Ministry have developed a portal (URL : <http://aishe.gov.in> or <http://aishe.nic.in>) through NIC last year on which all the Universities and Colleges in the State of Maharashtra including your University have uploaded the survey related information for the academic year 2010.11 last year.

2. You are also aware of the fact that University is required to fill up the complete data in DCF-1 which has been prepared for the University / University level Institutions and DCF II for colleges / Institutions recognized by the University. The University is required to fill up the complete data in DCF I., they are also required to ensure that colleges affiliated to them including constituent colleges and recognized centre's should fill up their complete data in DCF-II. DCF-III is to be filled for all the standalone institutions located in the State. Standalone Institutions includes mainly Polytechnics, Diploma level Nursing Institutes and Diploma level Teacher Training Institute (DIETs).

3. Each Institution is already registered themselves on the AISHE portal by which system have given a login id and password for accessing the portal and uploading the data. The item-wise instructions for filling up the DCF and User Manual for software related instruction is available on the portal. As per the report available with this office, There are 45 Universities and University level institutions in Maharashtra and 4343 colleges/institutions affiliated with these Universities. **You are**

requested to download the DCF-I of your University for the Academic Year 2011.12 and upload filled in DCF-I on AISHE portal. You are also requested to ask the affiliated/constituted colleges/institutions to upload DCF-II for the Academic Year 2011.12 at the earliest.

4. I solicit your cooperation in this important mission. With collective efforts in completing the survey work at the earliest, we are hopeful of putting together vast information on higher education. This will create a new and reliable data base which will provide authenticated information on the status of higher education in Maharashtra. It will also help planners and policy makers both at the national and state level to identify the gaps and deficiencies in the existing system and promote at more balanced development of higher education.

With Regards,

**(Dr. P.R.Gaikwad)
