

ELIGIBILITY FOR M.Sc. (HOME SCIENCE) COURSES 2015-16 ONWARDS

Name of the course	Existing Eligibility (as per circular No. PG/Univ./VCD/ICC/2012-13/8)	Revised Eligibility (2015-16 onwards)
M.Sc. (Home Science) Branch IA: Foods Nutrition & Dietetics	<p>For being eligible for admission to the Master of Science (Home Science) degree course by papers in the Branch of Foods, Nutrition & Dietetics, a learner must have passed either</p> <ul style="list-style-type: none"> • Bachelor of Home Science with Specialization in Foods, Nutrition and Dietetics • Bachelor of Home Science (General) • Bachelor of Science (B.Sc.) 	<p>For being eligible for admission to the Master of Science (Home Science) degree course by papers in the Branch of Foods, Nutrition & Dietetics, a learner must have passed either :</p> <ul style="list-style-type: none"> • Bachelor of Home Science with Specialization in Foods, Nutrition & Dietetics • B.Sc. with Home Science (any branch) • Bachelor of Science with Biological Sciences • Bachelor of Science Chemistry • Bachelor of Science/Arts Human Science • Bachelor of Science Interdisciplinary Science with Biological Sciences and Chemistry at Third year. • Learners of any gender are eligible to apply for admission to the course
M.Sc. (Home Science) Branch IB : Food Processing & Preservation	<ul style="list-style-type: none"> • B.Sc. with Home Science (any branch) • B.Sc. with Microbiology / Biochemistry / Life Sciences / Chemistry / Biotechnology / Combinations • B.Sc. with Agriculture • Learners of any sex are eligible to apply for admission to the course 	<p>For being eligible for admission to the Master of Science (Home Science) degree course by papers in the branch Food Processing and Preservation , a learner must have passed either :</p> <ul style="list-style-type: none"> • B.Sc. with Home Science) (any branch) • B.Sc. with Microbiology /Biochemistry /Life Sciences/ Chemistry / Biotechnology / Combinations • B.Sc. with Agriculture • Bachelor of Science (B.Sc.)-Biological Sciences • Bachelor of Science/Arts (B.Sc./B.A,)-Human Science • Bachelor of Science (B.Sc.)- Interdisciplinary science with Biological Sciences at third year. • Learners of any gender are eligible to apply for admission to the course

Name of the course	Existing Eligibility (as per circular No. PG/Univ./VCD/ICC/2012-13/8)	Revised Eligibility (2015-16 onwards)
M.Sc. (Home Science) Branch IC : Sports Nutrition	<ul style="list-style-type: none"> • B.Sc. with Home Science (any branch) • B.Sc. with Biochemistry, Life Science • B.Sc. with Nursing / Physiotherapy • Medical graduates any discipline • Learners of any sex are eligible to apply for admission to the course 	<p>For being eligible for admission to the Master of Science (Home Science) degree course by papers in the branch Food Processing and Preservation, a learner must have passed either :</p> <ul style="list-style-type: none"> • B.Sc. with Home Science (any branch) • B.Sc. with Biochemistry, Life Sciences, Chemistry • B.Sc. with Nursing / Physiotherapy / Bachelor in Physical Education • Medical graduates any discipline (MBBS, BAMS, BHMS, BDS) • Bachelor of Science (Biological Sciences) • Bachelor of Science /Arts (B.Sc./B.A.)-Human Science • Bachelor of Science (B.Sc.)- Interdisciplinary science with Biological Sciences at third year • Learners of any gender are eligible to apply for admission to the course
M.Sc. (Home Science) Branch II : Human Development	<p>For being eligible for admission to the Master of Science (Home Science) degree course by papers in the branch of Human Development, a learner must have passed either</p> <ul style="list-style-type: none"> • Bachelor of Home Science with specialization in Human Development / Child Development • Bachelor of Home Science (General) • Bachelor of Arts : Psychology as major / or as part fulfillment • Bachelor of Arts with Sociology as major • Bachelor of Arts with Education as major • Bachelor of Social Work 	<p>For being eligible for admission to the Master of Science (Home Science) degree course by papers in the branch of Human Development, a learner must have passed either</p> <ul style="list-style-type: none"> • Bachelor of Home Science with specialization in Human Development / Child Development or any sub specialization such as, Early Childhood Education and Developmental Counselling • Bachelor of Science with Human Development/ Child Development • Bachelor of Home Science with any branch (Foods, Nutrition and Dietetics, Textile and Fashion Technology, Community Resource Management, Extension Education) • Bachelor of Arts : Psychology/ Sociology as a major / part fulfillment • Bachelor of Arts with Education as a major • Bachelor of Social Work • Bachelor of Science/Arts (B.Sc./B.A.)-Human Science • Learners of any gender are eligible to apply for admission to the course

Name of the course	Existing Eligibility (as per circular No. PG/Univ./VCD/ICC/2012-13/8)	Revised Eligibility (2015-16 onwards)
M.Sc. (Home Science) Branch III : Textile & Fashion Technology	For being eligible for admission to the Master of Science (Home Science) degree course by papers in the branch Textile and Fashion Technology, a learner must have passed either <ul style="list-style-type: none"> • B.Sc. (Home Science) with specialization in Textiles & Clothing • B.Sc. With specialization in any branch of Home Science of the University of Mumbai • Bachelor or Home Science (General) 	For being eligible for admission to the Master of Science (Home Science) degree course by papers in the branch Textile and Fashion Technology, a learner must have passed either : For being eligible for admission to the Master of Science (Home Science) degree course by papers in the branch of Textiles & Fashion Technology, a candidate must have passed either: <ul style="list-style-type: none"> • Bachelor of Science with Textile & Clothing • Bachelor of Home Science with specialization in Textile & Clothing/ Clothing & Textile • Bachelor of Home Science with specialization in Textile & Fashion Technology • Bachelor of Home Science with specialization in any branch of Home Science of the University of Mumbai • Bachelor of Home Science (General) • Bachelor of Science in any specialization • Bachelor of Fashion Design or Bachelor from any Design stream • Bachelors degree in any stream of education such as BA, BCOM, BBA, BCA, BMS, BMM, BCA, B.Pharm, B.Tech.,B.Arch.etc. Bridge Course/Tutorials for Bachelors students from non Textile, Clothing & Fashion Background: <ul style="list-style-type: none"> • Basic knowledge of Pattern Making and Garment Construction. • Basic knowledge of Textile Science <p style="margin-left: 40px;">These can be undertaken during the MSc Sem I & II simultaneously</p> <ul style="list-style-type: none"> • Learners of any gender are eligible to apply for admission to the course

ELIGIBILITY FOR POST GRADUATE DIPLOMA IN DIETETICS AND APPLIED NUTRITION COURSE

2015-16 ONWARDS

Name of the course	Existing Eligibility	Revised Eligibility (2015-16 onwards)
Post Graduate Diploma in Dietetics & Applied Nutrition	<ul style="list-style-type: none"> • B.Sc. with Home Science • B.Sc. with Biochemistry, Life Sciences, Microbiology / Biotechnology • B.Sc. with Chemistry with Microbiology / Biochemistry / Life Sciences • B.Sc. Nursing 	<p>For being eligible for admission to the Post Graduate Diploma in Dietetics and Applied Nutrition course by papers a learner must have passed either :</p> <ul style="list-style-type: none"> • B.Sc. with Home Science • B.Sc. with Biochemistry, Life Science, Microbiology , Biotechnology, Chemistry, Botany, Zoology • B.Sc. with Chemistry along with Microbiology / Biochemistry / Life Sciences/Any Biological Sciences • B.Sc. Nursing/ Physiotherapy/ B.P. Ed. • Bachelor of Science (B.Sc.)- Interdisciplinary science with Biological Sciences at third year Medical graduates any discipline (MBBS, BAMS, BHMS,BDS) • Learners of any gender are eligible to apply for admission to the course
