Course Code	Title	Periods/week	Marks	Credits
USHSII502	CURRICULUM PLANNING FOR PRESCHOOLS	3	100	3

**Objectives**

- To help students develop an understanding of developmentally-appropriate teaching-learning practices to be used in preschools.
- To introduce to students the historic overview of educators and approaches/curriculum models in early childhood education.
- To have students develop an understanding of play in child’s learning and structuring the preschool environment.
- To have students develop an understanding of the role of environment in child’s learning and behaviour including schedules, materials, arrangement of learning activities indoor and outdoor, and centre-based learning.

Course Content		Periods
<b>Unit I</b>	<b>Developmentally Appropriate Practices</b> <b>NAEYC: Basic principles of developmentally appropriate practices:</b> child-adult ratio, group size, mixed-age grouping, child-adult interaction, staff qualifications, and roles of children and adults. <b>Curriculum:</b> Meaning and definition of curriculum, components of a good curriculum, purposes of planning (general goals, instructional objectives) <b>Scheduling</b> Components of the schedule: activity time, large group activities and small group activities, outdoor activities, clean up, meals, nap and rest, transitions. Guidelines for program scheduling: alternating active and quiet times, balancing child-initiated and teacher-initiated activities, activity level of the children, developmental level of children, arrival of children, seasonal considerations.	<b>15</b>

<b>Unit II</b>	<b>Historical Overview of Educators and Approaches/Curriculum Models</b> Rabindranath Tagore TarabaiModak and GijubhaiBadhekha Jean Jacques Rousseau Friedrich Froebel Montessori Approach Tawharki Approach The Developmental Interaction Approach /Bank Street Approach The High Scope Curriculum For Early Childhood Care and Education The Project/Thematic Approach The Reggio Emilia Approach Mixed -Age Educational Programs for Young Children	<b>15</b>
<b>Unit III</b>	<b>Play</b> Defining play Purpose of play Stages/levels of play Child’s role in play Teacher’s role in facilitating children’s play: observer, elaborator, modeller, evaluator, planner <b>Organizing and structuring the preschool environment</b> Room and space arrangement, the outdoor environment and outdoor safety, indoor environment and indoor safety Planning learning centres (dramatic play, art corner, blocks area, library, listening and writing area, wood work, sand and water table, manipulatives, science and discovery area, physical education area), quiet area, and storage area.	<b>15</b>

Course Code	Title	Periods/week	Marks	Credits
USHSII504	ADMINISTRATION OF SCHOOLS AND OTHER HUMAN DEVELOPMENT AGENCIES	3	100	2

### Objectives

- To comprehend the school as a system; thereby, to use a systemic approach in conceptualizing school administration.
- To evaluate selected school policies and develop critical thinking skills with regard to school policies.
- To be introduced to best practices in school education/innovations in school policies/school reform.

Course Content		Periods
<b>Unit I</b>	<p><b>Introduction &amp; Overview; Conceptual Framework for Understanding School Administration; Role of School Principal/School Administrator</b></p> <p>Definitions/types: schools, education, administration, stakeholders, system</p> <p>Functions of schools: general; from the point of view of each stakeholder/group in the system</p> <p>Conceptual framework for understanding school administration: school as a system; vision, mission, goals and objectives; process model/feedback cycle; policy-making and other decision-making</p> <p>Role of School Principal: Lead Educator and Lead Executive; management versus leadership</p> <p>Interpersonal role of school principal: roles vis-à-vis students, teachers, parents, trustees/school board members/management; affective and effective role dimensions (emotional intelligence, handling negativity/handling complaints); public relations; community relations and community support</p> <p>Code of ethics for school leaders</p>	<b>15</b>
<b>Unit II</b>	<p><b>Issues/Topics in School Administration Pertaining to Students/Children</b></p> <p>Role of the child/student in the classroom</p> <p>Role of the child/student in the larger school system</p> <p>Classroom arrangement</p> <p>School size and class size</p> <p>Scheduling Issues: Scheduling teaching-learning periods: Block scheduling (innovation)</p> <p>Character education; service-orientation</p> <p>Student evaluation: Achievement-oriented education/marks-oriented education, Disadvantages, Alternatives</p> <p>Social Promotion versus retention (Emphasis: Impact of each policy on students and other participants in the school system; inter-relationships between policies; best practices in education)</p>	<b>15</b>
<b>Unit III</b>	<p><b>Issues/Topics in School Administration Pertaining to Teachers</b></p> <p>Which decisions have to be made pertaining to teachers? And subjected to continuous evaluation?</p> <p>Role of teacher in the classroom/Role of teacher vis-à-vis students including child guidance and classroom management</p> <p>Role of teacher in the larger school system (vis-à-vis parents, other teachers, school administrators; as an agent facilitating school administration)</p> <p>Teacher recruitment policy</p> <p>Teacher reward policy: Types of formal and informal rewards and their importance, Teacher remuneration or monetary compensation policy (formal reward)</p> <p>Professional development policy/Teacher development policy</p> <p>Teacher evaluation policy</p> <p>Innovations: Teacher Looping (Emphasis: Impact of each policy on students and other participants in the school system; inter-relationships between policies; best practices in education)</p>	<b>15</b>

USHSII506	PART A: SOCIAL PSYCHOLOGY	3	100	3

## PART A: SOCIAL PSYCHOLOGY

### Objectives

- To introduce the students to the concept of social psychology and its content areas (behaviour, attitudes, attribution, persuasion, conformity).
- To help students understand the link between behaviours and attitudes and the factors influencing conformity
- To encourage students to practically apply theories of social behaviour in their day-to-day lives.

Course Content		Periods
<b>Unit I</b>	<b>Introduction to Social Psychology and Understanding Self</b> <b>Introduction to Social Psychology</b> Definition and Brief history of social psychology Methods of studying social psychology <b>The Self in a Social World</b> Self-concept and self-esteem Perceived self-control (self-efficacy, locus of control, learned helplessness versus self-determination) Self-presentation, self-justification, self-perception	<b>15</b>
<b>Unit II</b>	<b>Behaviour, Attitudes, Attributions and Persuasion</b> <b>Behaviour, Attitudes and Attributions</b> The effect of attitudes on behaviour The effect of behaviour on attitudes Attributing causality The fundamental attribution error <b>Persuasion</b> The elements of persuasion Resisting persuasion	<b>15</b>

<b>Unit III</b>	<b>Conformity</b> Classic studies (Asch's studies of group pressure; Milgram's experiments on obedience) Factors influencing conformity Resisting social pressure	<b>15</b>

Course Code	Title	Periods/week	Marks	Credits
USHSIIP501	<b>PART A: DEVELOPMENTALLY APPROPRIATE PRACTICE</b>	3	25	4
	<b>PART B: EXCEPTIONAL CHILDREN</b>	2	25	
	<b>PART C: ADMINISTRATION OF SCHOOLS AND OTHER HUMAN DEVELOPMENT AGENCIES</b>	2	25	
	<b>PART D: CHILDREN’S LITERATURE</b>	2	25	

**PART A: DEVELOPMENTALLY APPROPRIATE PRACTICE**

**Objectives**

- To facilitate students in learning skills in planning, executing and evaluating developmentally appropriate educational and recreational activities for underprivileged children in Non-Governmental Organisations.
- To facilitate students in learning skills in planning, executing and evaluating developmentally appropriate educational and recreational activities for children in schools (preschool, primary, secondary levels).
- To facilitate students in learning skills in planning, executing and evaluating developmentally appropriate workshops for varied target groups in educational setups.

Course Content		Periods
<b>Unit I</b>	Attending and participating in input sessions. To observe, plan, execute and evaluate developmentally-appropriate educational activities and recreational activities for underprivileged children in Non-Governmental Organizations (NGOs).	15
<b>Unit II</b>	To observe, plan, execute and evaluate developmentally-appropriate educational and recreational activities for children in preschools. To observe, plan, execute and evaluate developmentally-appropriate educational and recreational activities for primary and secondary school children.	15
<b>Unit III</b>	To observe, plan, execute and evaluate developmentally-appropriate workshops for underprivileged children in NGOs. To observe, plan, execute and evaluate developmentally-appropriate workshops for preschool children. To observe, plan, execute and evaluate developmentally-appropriate workshops for primary and secondary school children.	15

## PART B: EXCEPTIONAL CHILDREN

### Objectives

- To expose students to different settings and institutions catering to the needs of special children.
- To acquaint students with selected tests for assessing exceptionality.
- To facilitate in students sensitivity towards children with special needs through analysing and evaluating films with exceptionality.

Course Content		Periods
<b>Unit I</b>	Visiting centres and institutions (taught in theory) offering services to special children and preparing a profile of the institute and making a presentation. Screening of movies on exceptionality and having students submit their reflection.	<b>15</b>
<b>Unit II</b>	Demonstration of the tests for assessing exceptionality and interpretation of the test results. For example: Diagnostic tests-- Reading test (e.g., Woodcock Reading Mastery Test)/ Math test (e.g., Stanford Diagnostic Mathematical Test) Creativity tests-- Torrance Tests of Creative Thinking CAT Myers Briggs Interviewing parents and teachers of children with exceptionality in special schools and submitting a report.	<b>15</b>

## PART C: ADMINISTRATION OF SCHOOLS AND OTHER HUMAN DEVELOPMENT AGENCIES

### Objectives

To provide students with skills in:

- examining and evaluating the framework of administration in various schools,
- identifying exemplary features of administration in schools, and,
- selecting/designing best practices in education and related services.

Course Content		Periods
<b>Unit I</b>	<b>Examining and evaluating the framework of administration in various schools</b> (day schools, residential schools, schools of different boards of education, government-run schools, government-aided schools, private schools): Introduction to school administration Devising a framework to conceptualise, evaluate and innovate school administration/school policies (small group work) Debates enabling best practices in school administration	<b>15</b>
<b>Unit II</b>	<b>Identifying exemplary features of administration in schools of excellence:</b> Virtual visits to schools Visits to schools to study innovative school administration Sessions/workshops by resource persons Exemplary examples: Indian and non-Indian (Each small group of students selects one school of excellence and reports to the large group, describing and justifying why these schools are of excellence). Selecting/designing best practices in education (Each small group of students selects/designs and justifies one best practice in education).	<b>15</b>

## PART D: CHILDREN'S LITERATURE

### Objective

To provide students with skills in selecting and evaluating children's books/related educational software.

Course Content		Periods
<b>Unit I</b>	<b>Introduction</b> Definition Types of children's literature Recognizing the value of children's literature Identifying exemplary children's literature (award-winning books, authors, & illustrators) Sharing the history and interesting/amazing facts and information regarding the story/cartoon characters	<b>15</b>

<b>Unit II</b>	<b>Selecting and telling a story from children's books or displaying/ exhibiting/ sharing the educational software</b> Selecting atellabletale Motivating the audience to listen Conveying the sequence of events clearly Speaking clearlyand distinctly Utilizing eye contact, facial expressions, andgestures effectively Ending the story gracefully	<b>15</b>

<b>Course Code</b>	<b>Title</b>	<b>Periods/week</b>	<b>Marks</b>	<b>Credits</b>
<b>USHSIIP601</b>	<b>PART A: DEVELOPMENTALLY APPROPRIATE PRACTICE</b>	<b>3</b>	<b>25</b>	<b>4</b>
	<b>PART B: EXCEPTIONAL CHILDREN</b>	<b>2</b>	<b>25</b>	
	<b>PART C: ADMINISTRATION OF SCHOOLS AND OTHER HUMAN DEVELOPMENT AGENCIES</b>	<b>2</b>	<b>25</b>	
	<b>PART D: CHILDREN’S LITERATURE</b>	<b>2</b>	<b>25</b>	

**PART A: DEVELOPMENTALLY APPROPRIATE PRACTICE**

**Objectives**

- To create awareness in students about best practices in Human Resource Development.
- To facilitate students in learning skills in planning, executing and evaluating workshops/activities for varied target groups in diverse Human Development agencies (e.g., Old age homes, HR departments of companies).

<b>Course Content</b>	<b>Periods</b>
<b>Unit I</b> <b>INTRODUCTION TO BEST PRACTICES IN HUMAN RESOURCE DEVELOPMENT</b> Creating awareness (through resource persons/experts working in the respective fields) on best practices in the area of Human Resource Development. Visits to various organizations with excellent utilization of Human Resources.	<b>15</b>
<b>Unit II</b> <b>WORKSHOPS ON SOFT-SKILLS IN HUMAN DEVELOPMENT AGENCIES</b> Plan, execute and evaluate workshops on Soft Skills (e.g.: Team building; Leadership; Time/Stress Management).	<b>15</b>
<b>Unit III</b> <b>ACTIVITIES FOR VARIED TARGET GROUPS IN DIVERSE HUMAN DEVELOPMENT AGENCIES</b> Plan, execute and evaluate activities for varied target groups in diverse Human Development agencies (e.g., old age homes).	<b>15</b>

## PART B: EXCEPTIONAL CHILDREN

### Objectives

- To expose students to different settings and institutions catering to the needs of special children.
- To acquaint students with selected tests for assessing exceptionality.
- To facilitate in students sensitivity towards children with special needs through analysing and evaluating films with exceptionality.

Course Content		Periods
<b>Unit I</b>	Visiting centres and institutions (taught in theory) offering services to special children and preparing a profile of the institute and making a presentation. Screening of movies on exceptionality and having students submit their reflection.	<b>15</b>
<b>Unit II</b>	Observing the following aids used by children with exceptionality and submitting a report on any one (e.g., Braille, Hearing aids, Sign language, Communication Boards). Conducting a lesson in a special school.	<b>15</b>

## PART C: ADMINISTRATION OF SCHOOLS AND OTHER HUMAN DEVELOPMENT AGENCIES

### Objectives

To provide students with skills in:

- examining and evaluating the framework of administration in human development agencies other than schools,
- identifying exemplary features of administration in such agencies, and,
- selecting/designing best practices in such agencies.

Course Content		Periods
<b>Unit I</b>	<b>Counselling Centres/Counselling Services</b> Introduction to counselling services Devising a framework to conceptualise, evaluate and innovate counselling services Visits to Counselling Centres in Schools/Counsellors Exemplary examples: Indian and non-Indian Sessions/workshops by resource persons <b>NGOs in General</b> Introduction to NGOs How to set up an NGO Exemplary examples: Indian and non-Indian Sessions/workshop by resource person <b>Introduction to Youth Services</b> Introduction to youth services Devising a framework to conceptualise, evaluate and innovate youth services/youth programmes	<b>15</b>
<b>Unit II</b>	<b>Youth Services</b> Exemplary examples: Indian and non-Indian Debates enabling best practices in youth services Sessions/workshops by resource persons Visits to a Youth Service Agency to Study Innovative Youth Services <b>Services for the Elderly</b> Introduction to services for the elderly Devising a framework to conceptualise, evaluate and innovate services/programmes for the elderly Debates enabling best practices in services/programmes for the elderly Exemplary examples: Indian and non-Indian Visits to agencies/organisations serving the elderly Sessions/workshops by resource persons <b>Planning/Preparation for an event for Underprivileged Children and Youth</b> Brainstorming Preparation for event (event will be conducted later)	<b>15</b>

	<b>Designing Best Practices (Assignment)</b> Designing best practices for one of the following: Counselling services Youth services Services for the elderly Other NGOs	
--	--	--

**PART D: CHILDREN'S LITERATURE**

**Objectives**

To provide students with skills in selecting and evaluating children's books/related educational software.

<b>Course Content</b>		<b>Periods</b>
<b>Unit I</b>	<b>Introduction and Visit to Children's Library and or Children's Book Store</b> Descriptive and evaluative assessment through a visit to a children's library/ book store: Target groups Programs, activities, different sections No. of staff and hierarchy; functioning Décor/furniture, design/layout Membership fees; duration/timings Collaboration and linkages with other libraries/bookstores	<b>15</b>
<b>Unit II</b>	<b>Designing Children's Books or Related Educational Software and Presentation</b> Features to keep in mind (e.g., content, layout, target group, cost, text versus pictures) Planning the designing Making the book or software	<b>15</b>

## Scheme of Examination

The performance of the learners shall be evaluated into two parts. The learner's performance shall be assessed by Internal Assessment with 40% marks in the first part by conducting the Semester End Examinations with 60% marks in the second part. The allocation of marks for the Internal Assessment and Semester End Examinations are as shown below:-

### **Internal assessment for Theory 40 % of 100 marks (40 marks)**

Sr. No.	Evaluation type	Marks
1	One class test/ case study / online examination to be conducted in the given semester	20
2	One assignment based on curriculum to be assessed by the teacher concerned	10
3	Active participation in routine class instructional deliveries	05
4	Overall conduct as a responsible learner, communication and leadership qualities in organizing related academic activities	05

### **Semester End Theory Examination of 60 marks (three unit courses)**

**Duration:** These examinations shall be of two and half hours duration.

#### **Theory question paper pattern:**

- There shall be four questions each of 15 marks. On each unit there will be one question and fourth question will be based on entire syllabus.
- All questions shall be compulsory with internal choice within the questions. Each question will be of 30 marks with options.
- Questions may be sub divided into sub questions as a, b, c, d and e, etc and the allocation of marks depends on the weightage of the topic.

### **Semester End Practical Examination of 25 marks (two/three unit courses)**

**Duration:** These examinations shall be of three hours.

Sr. No	Evaluation type	Marks
1	Laboratory work: <b>Semester End Examination</b>	10
2	Journal	10
3	Viva	05

**Standard of Passing** is as per the Ordinances set by the University of Mumbai for the Credit Based Semester and Grading System for the undergraduate courses.
