

Eligibility to appear for the additional semester end examination for an ATKT / failed learner who fails to appear for the regular ATKT examinations conducted but now wishes to appear for the additional Semester End Examination.

All the members agreed and approved that the learner who is appearing for the repeat examination as ex-student may be permitted to appear for the additional Internal Assessment and Additional Semester End Examination conducted for the failed or the absent learner even if the learner does not register for the regular repeat examination.

Say for ex. A regular learner of F.Y.B.Com. program of 2011-2012 under the CBSGS has failed in two courses after appearing for the regular and additional examination held in academic year 2011-2012 is now eligible to appear for the examination of the failed courses at the regular examination conducted along with the regular student of F.Y.B.Com. for the academic year 2012-2013. For some reason, this learner does not register for this regular examination. As he has not registered for the regular examination, the learner is not eligible to appear for the additional examination. Thus losing a chance to appear for the examination and thereby losing a year. Thus to prevent the loss of academic year of such a student the student may be permitted to appear for the additional examination without registering for the regular examination.
