Sub: Seminar on "Concept of Quality Circle and Graduate Attributes"

The University of Mumbai Quality Assurance Cell (UMQAC) in collaboration with Vinayak Ganesh Vaze College of Arts, Science & Commerce, Mumbai, is organising a One Day Seminar on "Concept of Quality Circle and Graduate Attributes" on 2nd March, 2015 at Vaze College Campus.

The seminar is envisaged to throw light on post accreditation initiatives that an institution can adopt as a mechanism for continuous quality improvement in their functioning. Case studies will form part of the deliberations.

The seminar will be useful for all NAAC accredited institutions to fine tune the functioning of the IQAC's set up in the respective institutions. It is urged that the institutions participate in large numbers and help themselves in their endeavour for quality improvement.
